Answer

(a) to (d) There are over 20 Central Ministries/Departments involved in the implementation of more than 70 schemes for various skill development programmes which are being implemented through various agencies including State Governments but not exclusively through Non- Government Organisations (NGOs). Pradhan Mantri Kaushal Vikas Yojana (PMKVY) launched by the Ministry of Skill Development is being implemented through the registered training partners of National Skill Development Corporation (NSDC) as well as those institutions affiliated to various Sector Skill Councils (SSCs). The Ministry of Skill Development and Entrepreneurship has not prescribed any criteria for selection of NGOs in this regard.
